Government Guidance

Thank you all once again for following government guidance to keep our children and each other safe. The children have settled well, yet again to another change in school, forming key stage bubbles and it is so important that at home we all continue to reduce contact and only leave the house for essentials. Risk assessments are continuously reviewed and changed where necessary. Our actions and sacrifices are saving lives and also keeping our school open.

Thank you Everybody

Little Wrens and EYFS

It has been such a shame that we were only able to open our nursery fully for just one day before having to abide by new lockdown rules and school closures.

The video of our nursery and EYFS environment is now on the school website so please do share it with friends and family to help **spread the word!**

A huge thank you to our Chair of Governors Mrs Emma Curran who created the video. It is fabulous!!

We still have places available for Nursery and a reminder also, that the deadline for **final admissions for school places for September 2021 is January 15th.**

Thank you

Keep Up the Reading!

Whilst most of our children find themselves back at home during lockdown I thought I would include these top ten tips to encourage your child to read. If there is one thing I think we should all make time for every day then it has to be reading!!

Don't forget to use the 'pick and collect' service from Barnard Castle local library too. Mrs Sedgewick posted further details on the Weduc newsfeed this week.
