Thank you all once again for following government guidance to keep our children and each other safe. Risk assessments are continuously reviewed and changed where necessary.

Our actions and sacrifices are saving lives and also keeping our school open.

**Thank you Everybody

Lexia Achievements

Lexia Certificates this week go to:

Edward, Amber and Robert. Well done to the 3 of you- super work.

Schools are expected to provide remote education that includes either recorded or live direct teaching and should be of equivalent length to the core teaching pupils would receive in school. Staff both at home and at school are all doing an exceptional job of this and learning new skills themselves as they go.

We are delighted with the efforts and the engagement with the recorded sessions and can see already within this week, the numbers are increasing for those participating in the live sessions /well being sessions. We appreciate the juggle for many families, and the difficulties some children have concentrating at home but just keep doing what you can. We do expect you to have a go... and we are here should you need any further support.

Get in touch- you **CAN** do it!!

Keep Up the Reading!

Whilst most of our children find themselves back at home during lockdown I thought I would include these top ten tips to encourage your child to read. If there is one thing I think we should all make time for every day then it has to be reading!!

Don't forget to use the 'pick and collect' service from Barnard Castle local library too. Mrs Sedgewick posted further details on the Weduc newsfeed this week.

HAPPY BIRTHDAY!

Not a single birthday this week- although I do know from a Teams meeting Mrs Norman celebrated her birthday this week, so I will take this opportunity to wish Mrs Norman a Happy Birthday- well, a belated wish but I hope you enjoyed your day!!
