Half term: break up Friday 12th February.
Return to school: Monday 22nd February

Pupil Voice Meetings

I have really enjoyed the pupil voice meetings over Teams this week. Thank you very much to the children for giving me your feedback- it is so important that you know your voice is heard and that we really value your thoughts and ideas. I am looking forward to meeting with Larks and Owls next week.

Thank you Robins and Swifts and also to Mrs Curran our Chair of Governors for also joining us.

CANDLE TIME

Don't forget to join us for Candle Time each Friday on Teams. It is a lovely way to get together at the end of the week- as we would in school and celebrate our Stars and achievements both at home and at school. The Teams meeting is also recorded so that you can watch it at a time that suits you- just click on the chat section and it should be there.

I hope you are also finding the Liturgies and resources from the Bishop Hogarth Trust useful too.

Stars of the Week

Congratulations to our Stars of the Week:

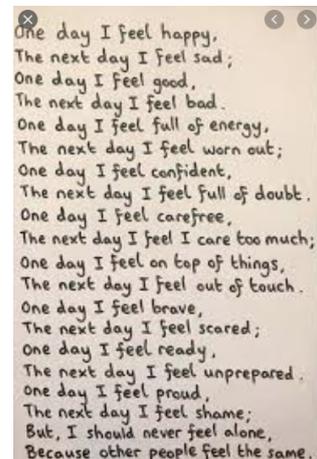

- * Robins- Rowan and Evelyn
- * Larks- Miles and Alfie
- * Swifts- Barnaby and William R
- * Owls- Ella and Charlie

KEEP GOING!!!

This week I have sensed that we are all getting a little bit tired- feeling a little bit drained. Just keep trying your best boys and girls- that is all we ask. Parents/ teachers - you're doing a brilliant job in helping us maintain standards and motivation to learn. Once the children are back to school there will, of course be gaps to fill, but because of your hard work, and commitment to ensuring the children are logged on and accessing their work, you are making a huge difference to helping them continue to learn during these precious primary school days.

Thank you!

HAPPY BIRTHDAY!

Happy Birthday to Wojciech who will celebrate his 11th birthday next week. Have a lovely day Wojciech!
