NEW - FREE UNIFORM BANK!

If anybody has any old uniform that is still in a good clean condition and would like to donate it to school we would really appreciate it for our free school uniform bank. Trousers, skirts, t-shirts, jumpers, PE kits etc all wanted.

The uniform bank will be available for anybody who finds they may need to use it. It is a free bank accessible to all families at St Mary's. Just send Mrs Sedgewick a Weduc message with what you need before going out and buying/ordering uniform and if we have it we will send it home with your child or leave it in the porch for you to collect.

Mrs Gilmore's Grand Opening!!!

At last, we have been able to reschedule the special opening of the Little Wrens Nursery with Mrs Gilmore! We have invited both Mrs Gilmore and the Teesdale Mercury to come along on Wednesday morning. Look out for it in the newspaper next week.

It has been lovely to welcome more Little Wrens this term and watch them form new friendships and have fun learning as they play... adorable!

We still have places left if you, or any of your friends and family members are interested. Just get in touch.

Congratulations to our Stars this week!

Robins: Grant

Larks: Miles

Swifts: Maia

Happy Birthday to Tommy C who celebrates his 8th birthday this week and Jakob, who joined our school this week turns 6 tomorrow.

I hope you have a wonderful birthday boys, enjoy your day!

Please can I remind parents that children are now expected to wear full school uniform, including black school shoes. The only day they should be wearing trainers is the day they come to school in their PE kits. They can of course bring their trainers for outdoor play/field. Thank you.

Swankie Sports is Back!!

We are delighted to be able to have Kyle Swankie back into school each Monday to work with the children over their outdoor lunchtime break.

Kyle will follow all school risk assessments in place and the bubbles on the field will not mix.

Children do not have to join in with Kyle- school offer this coaching free of charge as part of our overall aim to encourage our children to keep active and get involved- maybe even spark a new interest or talent.

Children will need their trainers on a Monday if they would like to join in.

We are also in discussion with Kyle about starting up after school clubs—watch this space!
