A big thank you to Christine, one of the parishioners here at St Mary's for taking the time this week to tidy the school garden. It is already looking beautiful again!! Some of the children are looking forward to getting involved in the gardening with Christine too
Thank you.

It was lovely to be able to say bye to Father Grieves this morning before he starts his full retirement.

Each class presented a beautiful liturgy with some wonderful poems, memories and prayers that Father Grieves says he will treasure forever.

He was overwhelmed with the kind words and also gifts from parents and staff too.

Thank you everybody.

Take Care Father Grieves- we will all miss you.

I will add photographs to the website as soon as possible. Thank you.

Congratulations to our Stars this week!
